# PRS Series Projector Mount

The PRS Series projector mount offers the fastest and easiest installation. This mount allows for independent roll, pitch and yaw alignment with four easy to reach adjustment points. With its discreet, low-profile design it is perfect for flush mounting applications. Available in black, silver and white to match any installation requirement.

- Easy and simple to install, pre-assembled design

- Brings elegance and style to any installation

- Refined, low-profile mount, perfect for any application

- Unmatched versatility for every application
