WXGA classroom projector with up to a 10,000-hour lamp life in Bright Mode[*]

Bring brilliant widescreen images to your classroom with the PowerLite 975W projector. Offering 3x Higher Color Brightness[**] than competitive models, Epson® 3LCD projectors ensure vivid images. Featuring 3,600 lumens of color brightness and 3,600 lumens of white brightness[1], plus WXGA resolution, the 975W shines, even in well-lit rooms. Its ultra long-life lamp — up to 10,000 hours in Bright Mode[*] — means reduced maintenance and downtime. And, it offers enterprise-level security via the included wireless module. Teachers can wirelessly share content simultaneously from multiple devices, including Chromebooks, iOS® and Android® devices[2] — up to four with Moderator software[3]. Plus, Miracast® offers wireless HD screen mirroring.

Projection System: 3LCD, 3-chip technology
Native Resolution: 1280 x 800 (WXGA)
Color Brightness: 3600 lumens[1]
White Brightness: 3600 lumens[1]
